AWARD

- I received an honor certificate from the University of Laos in Information Technology for the period from 2018 to 2022.
- I received a scholarship from the Child's Dream Laos Organization in 2018-2019 while I was a university student.

ABOUT ME

I have been working in the website development industry for over two years, gaining extensive experience both individually and as part of a team. My skills include Laravel 8, React.js, Next.js, and Vue.js, combined with my commitment to delivering high-quality, user-friendly web applications, make me a strong candidate for this project and I look forward to the opportunity to discuss how I can be of value to your team.
